Resolution

“I will live and not die and proclaim the wondrous works of our God!”

We, the members of Labourers for Christ Center for Reconstruction along with our Archbishop, Dr. Nathaniel D. Isaac, and Pastor, Tandeka L. Isaac, in sincerity extend our deepest sympathy to the family and friends of Elder Rosemary Isaac in this hour of bereavement. Please know that our loving thoughts and heartfelt condolences are also with you.

Elder Rosemary grabbed hold to the vision of Labourers for Christ Center for Reconstruction and prompted the first Building Block church service at her house. She is the first planted member of this church plant. She was very supportive and driven in participating in every event that the organization had even when she should have taken to the hospital. The last conference she was to attend through the ministry was the *Awakening the Warriors Bride*. It was her true desire to be there but a disruption in her health stood as an obstacle. We remember her drive to be in the weekly church gatherings. She loved Labourers For Christ locally and globally and esteemed highly the Presiding Prelate, Apostle Dr. Shawnette Houghton. When the church plant began, our Apostle asked, if we were going to take her through the process of ordination. We were not sure if she was up to it. Our Apostle then stated, “What are you waiting for?” We made the appointment and she championed through the process victoriously. It was an honor to ordain this woman of God in our organization as Elder.

May it be proclaimed that she is one of the foundational pillars of this church plant and we will forever honor her memory, legacy and story. A section of the ministry will be dedicated to her to signify this. Family and friends, if you are going to tell her story make sure you tell it right because we will.

May our Lord be the Treasure that encompasses all treasures and the Joy that pervades all time and circumstances. May God comfort and sustain you during this time as He dries your tears and fills all or any voids in your heart during this time. May the Light of His Presence bless and remind you that you are safe in His’ arms. Therefore, we commend you to Him for the provisions of comfort and joy and Our prayers and our love are with you always.

Be it resolved, that a copy of this resolution will stay in our Church records. Humbly submitted, this 9th day of December in the year of 2019 of our Lord and Savior.

Respectfully Yours,

The Ecclesia of Labourers For Christ Center For Reconstruction
